

## Product Change Notice Ethernet Switch PMC (Production to End-of-Life)

**PCN Number:** SIL0063  
**Notification Date:** 28 April 2023

### Change Description

Astronics Advanced Electronic Systems (AES) is announcing the transition of its Ethernet Switch PMC to the End-of-Life Lifecycle. We do not take the decision to discontinue a product lightly as we know our customers depend on these products and often choose Astronics AES based on our excellent reputation for support.

However, due to the acceleration of component obsolescence and marketplace component availability, we have made the difficult decision to move the Ballard Ethernet Switch PMC products to the End-of-Life Lifecycle.

The End-of-Life Lifecycle means that the product will not be part of Astronics AES's future manufacturing plans.

Lifecycle Stages	
<b>PRODUCTION</b>	Product is in full production and available for sale
<b>LEGACY</b>	Product is in active production. Not recommended for new designs.
<b>END-OF-LIFE</b>	Product is no longer in active production, availability is limited
<b>OBSOLETE</b>	Product is no longer available and no longer manufactured

### Products Affected

Part Family	Description	Part/Order Numbers	Suggested Alternates
Ethernet Switch	CCPMC Ethernet Switch	MPR-ES-1 MPR-ES-1/FXY	None

### Last Time Buy Information

Astronics AES anticipates a Last Time Buy (LTB) and Last Time Ship (LTS) for these products as indicated below. LTB will be limited to stock availability and may be ended or extended based on orders received.

LTB Date: November 30, 2023

LTS Date: September 27, 2024
